

## CLIENT TESTIMONIALS

"I am so thankful to My Daddy Taught Me Better.

Our family was in need of some basic essentials for everyday, like soap, laundry detergent, dish detergent, tissue and paper towels. After expressing our needs to My Daddy Taught Me Better, they were able to get back to us the next day to provide those basics for us!" -The W. Family

"Our family wants to thank My Daddy Taught Me Better for the food and snacks they provided to us. This month our groceries were running low. So that our kids would be able to take lunch and have a snack in the afternoon, My Daddy Taught Me Better" did an inventory of what we need and fulfilled the request on the same day. Thank you!! We will definitely be telling others about you guys!" -The F. Family

"Thank You to My Daddy Taught Me Better for helping our family with back to school shopping. Not only did they provide backpacks with folders, pencils, crayons, notebooks, and paper, but our children were able to get new outfits, shoes, and underwear so they could start the year like many other students with new things. I encourage families to reach out to this organization if your family needs support and resources. Don't be embarrassed to get the assistance you need. I am thankful they were able to answer the call!" -J.R.
